Thornbridge The Heart Desires

375ml Bottle £9.50

Sour - Other / 6.5% ABV / Bakewell, Derbyshire

This beer is part of a project we have been working on at the brewery for a few years now. We wanted to create a modern sour ale aged in barrels, with the same complexity and depth of flavour which our favourite sours from the USA offer. This beer started life as a simple blonde ale with low bitterness and was fermented with our house yeast. We then aged this in Burgundy barrels with the fruit for well over a year. Adding cultures of Brettanomyces, Pedicoccus and Lactobacillus at set points let us sour the beer gradually over many months and give layers of flavour that can only be developed over time. The fruit aroma and flavours compliment the sharp sourness which subsides for more malt and yeast character to come through. The resulting beer is a clean, zingy and intense blend of fruity tartness with intimations of crisp Sauvignon Blanc grapes.

Brouwerij Rodenbach Rodenbach Grand Cru

Sour - Flanders Red Ale / 6% ABV / Roeselare, Vlaanderen

This is an aged Belgian red ale, which is 'ripened quietly in oak barrels for two years', according to the label. It has an extremely pungent aroma of rich grapey fruit, with acidic notes, very much like a slightly sour red wine or possibly a gueuze. In the mouth it is slightly sweet, extremely acidic and fruity, with grapes and even cherries discernible, and very lively. Despite the sweetness it is not at all cloying, even thin, with little or no trace of malt. Finish is sharp and fruity.

330ml Bottle £5.50

Bières de Chimay Chimay Première (Red)

Belgian Dubbel / 7% ABV / Baileux, Wallonie

Topped with a creamy head, it gives off a light, fruity apricot aroma produced by the fermentation. The taste perceived in the mouth is a balance confirming the fruity nuances noticed in the fragrance. Its taste, which imparts a silky sensation to the tongue, is made refreshing by a light touch of bitterness. To the palate, the taster perceives a pleasant astringency which complements the flavor qualities of this beer very harmoniously. This top-fermented Trappist beer, re fermented in the bottle, is not pasteurized.

Belgian Strong Dark Ale / 9% ABV / Baileux, Wallonie

The Chimay Blue Cap, baptized "Grande Reserve" in 750 ml bottles is a dark Trappist beer with a powerful aroma, the complex flavor of which improves across the years. It was first brewed as a Christmas beer by the monks of Scourmont Abbey in 1956. This authentic Belgian beer, whose tinge of fresh yeast is associated with a light rosy flowery touch, is particularly pleasant. Its aroma, perceived as one enjoys it, only accents the delightful sensations revealed by the odor, all revealing a light but agreeable caramelized note. It is ideally served at cellar temperature (10 to 12°C).

Kasteel Brouwerij Vanhonsbrouck Kasteel Donker

Belgian Quadrupel / 11% ABV / Izegem, Vlaanderen

Kasteel Donker is a member of the Belgian quadrupel family. These are strong dark brown beers where the roasted malt predominates. The very first beer of the Kasteel range is a full-mouthed beer with hints of caramel, coffee and chocolate. The sweet initial taste makes this beer surprisingly complex but very accessible.

330ml Bottle £6.00

Abbaye Notre-Dame de Saint-Rémy Trappistes Rochefort 10

Belgian Quadrupel / 11.3% ABV / Rochefort, Wallonie

Dominant impressions of latte coffee with powerful chocolate aromas in the nose. The alcohol esters are enveloped with hints of autumn wood, citrus zest (orange, lemon) and freshly baked biscuits. The initial taste is sweetly sinful. Beer and chocolate trapped into one single glass, a liquid milky draught with a backbone of bitter malt. The alcohol warms the throat and, in the finish, you will pick up traces of cloves, citrus, orange and mocha. The heaviest of the Rochefort beers, the 10 is a quadrupel style beer and can be recognized by its blue label.
