### Thornbridge Mind Games

Farmhouse Ale - Saison / 8.5% ABV / Bakewell, Derbyshire

Mind Games is a collaboration between Matt Brynildson of Firestone Walker and Rob Lovatt of Thornbridge Brewery. Matt and Rob travelled to Bordeaux in search of something unique and returned with some recently emptied gin barrels. They then brewed a classic Saison-style beer, using three different yeast strains and the finest Savinjski Goldings, which was then aged in these gin barrels for eight months. The result is a wonderfully effervescent golden Saison with impressions of lemon and juniper.

### Titanic Plum Porter

Porter - English / 4.9% ABV / Burslem, Staffordshire

### Brouwerij Rodenbach Rodenbach Grand Cru

Sour - Flanders Red Ale / 6% ABV / Roeselare, Vlaanderen

This is an aged Belgian red ale, which is 'ripened quietly in oak barrels for two years', according to the label. It has an extremely pungent aroma of rich grapey fruit, with acidic notes, very much like a slightly sour red wine or possibly a gueuze. In the mouth it is slightly sweet, extremely acidic and fruity, with grapes and even cherries discernible, and very lively. Despite the sweetness it is not at all cloying, even thin, with little or no trace of malt. Finish is sharp and fruity.

330ml Bottle £5.50

### Bières de Chimay Chimay Première (Red)

Belgian Dubbel / 7% ABV / Baileux, Wallonie

Topped with a creamy head, it gives off a light, fruity apricot aroma produced by the fermentation. The taste perceived in the mouth is a balance confirming the fruity nuances noticed in the fragrance. Its taste, which imparts a silky sensation to the tongue, is made refreshing by a light touch of bitterness. To the palate, the taster perceives a pleasant astringency which complements the flavor qualities of this beer very harmoniously. This top-fermented Trappist beer, re fermented in the bottle, is not pasteurized.

330ml Bottle £4.50

-  **Bières de Chimay Chimay Grande Réserve (Blue)** 330ml Bottle £6.20  
Belgian Strong Dark Ale / 9% ABV / Baileux, Wallonie  
The Chimay Blue Cap, baptized "Grande Reserve" in 750 ml bottles is a dark Trappist beer with a powerful aroma, the complex flavor of which improves across the years. It was first brewed as a Christmas beer by the monks of Scourmont Abbey in 1956. This authentic Belgian beer, whose tinge of fresh yeast is associated with a light rosy flowery touch, is particularly pleasant. Its aroma, perceived as one enjoys it, only accents the delightful sensations revealed by the odor, all revealing a light but agreeable caramelized note. It is ideally served at cellar temperature (10 to 12°C).
-  **Pentrich Empty Hemisphere (Local)** 440ml Can £5.60  
Stout - Imperial / 10% ABV / Pentrich, Derbyshire

-  **Kasteel Brouwerij Vanhonsbrouck Kasteel Donker** 330ml Bottle £6.00  
Belgian Quadrupel / 11% ABV / Izegem, Vlaanderen  
Kasteel Donker is a member of the Belgian quadrupel family. These are strong dark brown beers where the roasted malt predominates. The very first beer of the Kasteel range is a full-mouthed beer with hints of caramel, coffee and chocolate. The sweet initial taste makes this beer surprisingly complex but very accessible.
-  **Abbaye Notre-Dame de Saint-Rémy Trappistes Rochefort 10** 330ml Bottle £7.00  
Belgian Quadrupel / 11.3% ABV / Rochefort, Wallonie  
Dominant impressions of latte coffee with powerful chocolate aromas in the nose. The alcohol esters are enveloped with hints of autumn wood, citrus zest (orange, lemon) and freshly baked biscuits. The initial taste is sweetly sinful. Beer and chocolate trapped into one single glass, a liquid milky draught with a backbone of bitter malt. The alcohol warms the throat and, in the finish, you will pick up traces of cloves, citrus, orange and mocha. The heaviest of the Rochefort beers, the 10 is a quadrupel style beer and can be recognized by its blue label.
-  **Thornbridge Necessary Evil (2020)** 375ml Bottle £11.20  
Stout - Imperial / 13% ABV / Bakewell, Derbyshire  
Necessary Evil is a lovingly crafted imperial stout, aged for 8 months in bourbon barrels. Aromas of sweet bourbon, vanilla and oak from the ageing process combine with rich chocolate, roasted malts and caramel from the base beer. Soft and silky, Necessary Evil has layers of complexity and flavour unlike any other.
